STUDY TOURS FOR GROUPS OF ACADEMICS WORLDWIDE #1**

This flyer is meant to inspire you with the wide range possibilities Study Tours can offer you.

About Study Tours

Study Tours designs, organizes and delivers tailor-made Study Tour and Business Tour Programmes for groups of participants with an academic background worldwide. Programmes can include lecturers, company visits, visits to significant cultural and historical sites and dinners.

100% Customized

Study Tour Programmes are 100% customized. They are designed on the basis of the learning needs of the participants, their experience and background on the one hand and the speakers experience, knowledge and ability to convey the message on the other hand.

Professional

We are a professional and independent organization which provides these services worldwide.

Maximization of learning

Our programmes are designed around a particular theme and have pre-defined objectives. In addition Study Tour Programmes are designed around several Building Blocks. This way we can ensure maximization of learning from international exposure.

Our clients

Requests for Study Tour Programmes range from 2 to 9 days with an educational/business focus. We generally work with groups of between 30 and 95 participants and have developed programmes for clients like LG, NYU Stern, INCAE Business School, RSM Erasmus University and GIBS.

PROGRAMMES

We offer Study Tour Programmes in North America, South America, Europe, Asia and Middle East & Africa. Please find underneath examples of possible destinations and Programmes. We are open to discuss any other theme you might be interested in;

NORTH AMERICA: MANAGING COMPLEXITY IN GLOBAL ORGANIZATIONS

Boston, USA

Global organizations face new challenges in today's turbulent market on a daily basis. This Programme focuses on managing complexity and is geared towards managers who lead during times of change with a global mind set and skill set. Key words: managing under uncertainty, ambiguity, leading across cultures, creating and sustaining high performance teams, leadership in the 21st century, change management.

SOUTH AMERICA: SUSTAINABLE ENTREPRENEURSHIP

Sao Paulo & Rio de Janeiro, Brazil

This Study Tour gives an insight in the inequality and poverty in Brazil and discusses the current situation, challenges and opportunities for sustainable entrepreneurship. Participants will get the opportunity to meet social entrepreneurs in the favelas (slums), which will be a life changing experience. This Study Tour motivates participants to become agents of social responsibility, find business opportunities that preserve natural resources and reduce poverty, and to help them build a community of stakeholders around sustainable development projects.

Our strengths:

1. We deliver high quality Programmes & support
2. We connect you with the best stakeholders worldwide (facilitating Business Schools, Faculty, speakers, companies).
3. We enable you to focus on your business.
3. We save your organization critical resources.
4. We offer you a branding opportunity to attract prospective clients.

EUROPE: PORTS OF THE WORLD

Rotterdam, The Netherlands

The port of Rotterdam is the number 8th Port in the world after the Asian Ports. It is however the most enhanced Port in the world regarding operational efficiency, automation and extended land. During this Study Tour participants will visit the port of Rotterdam and its stakeholders and will be introduced to the political, economical and cultural aspects of doing business in and with the Europe(an Union).

ASIA: DOING BUSINESS IN JAPAN

Tokyo and Nagoya, Japan

This Study Tour focuses on potential business opportunities for non Japanese organizations with respect to potential investments, governmental impact on business, resources, technology, R&D, trade, management practices and services.

MIDDLE EAST & SOUTH AFRICA: LEADERSHIP FOR CHANGE

Pretoria, South Africa

This Study Tour focuses on how individuals and organizations manage change in an increasingly complex and highly diverse business and cultural environment.
